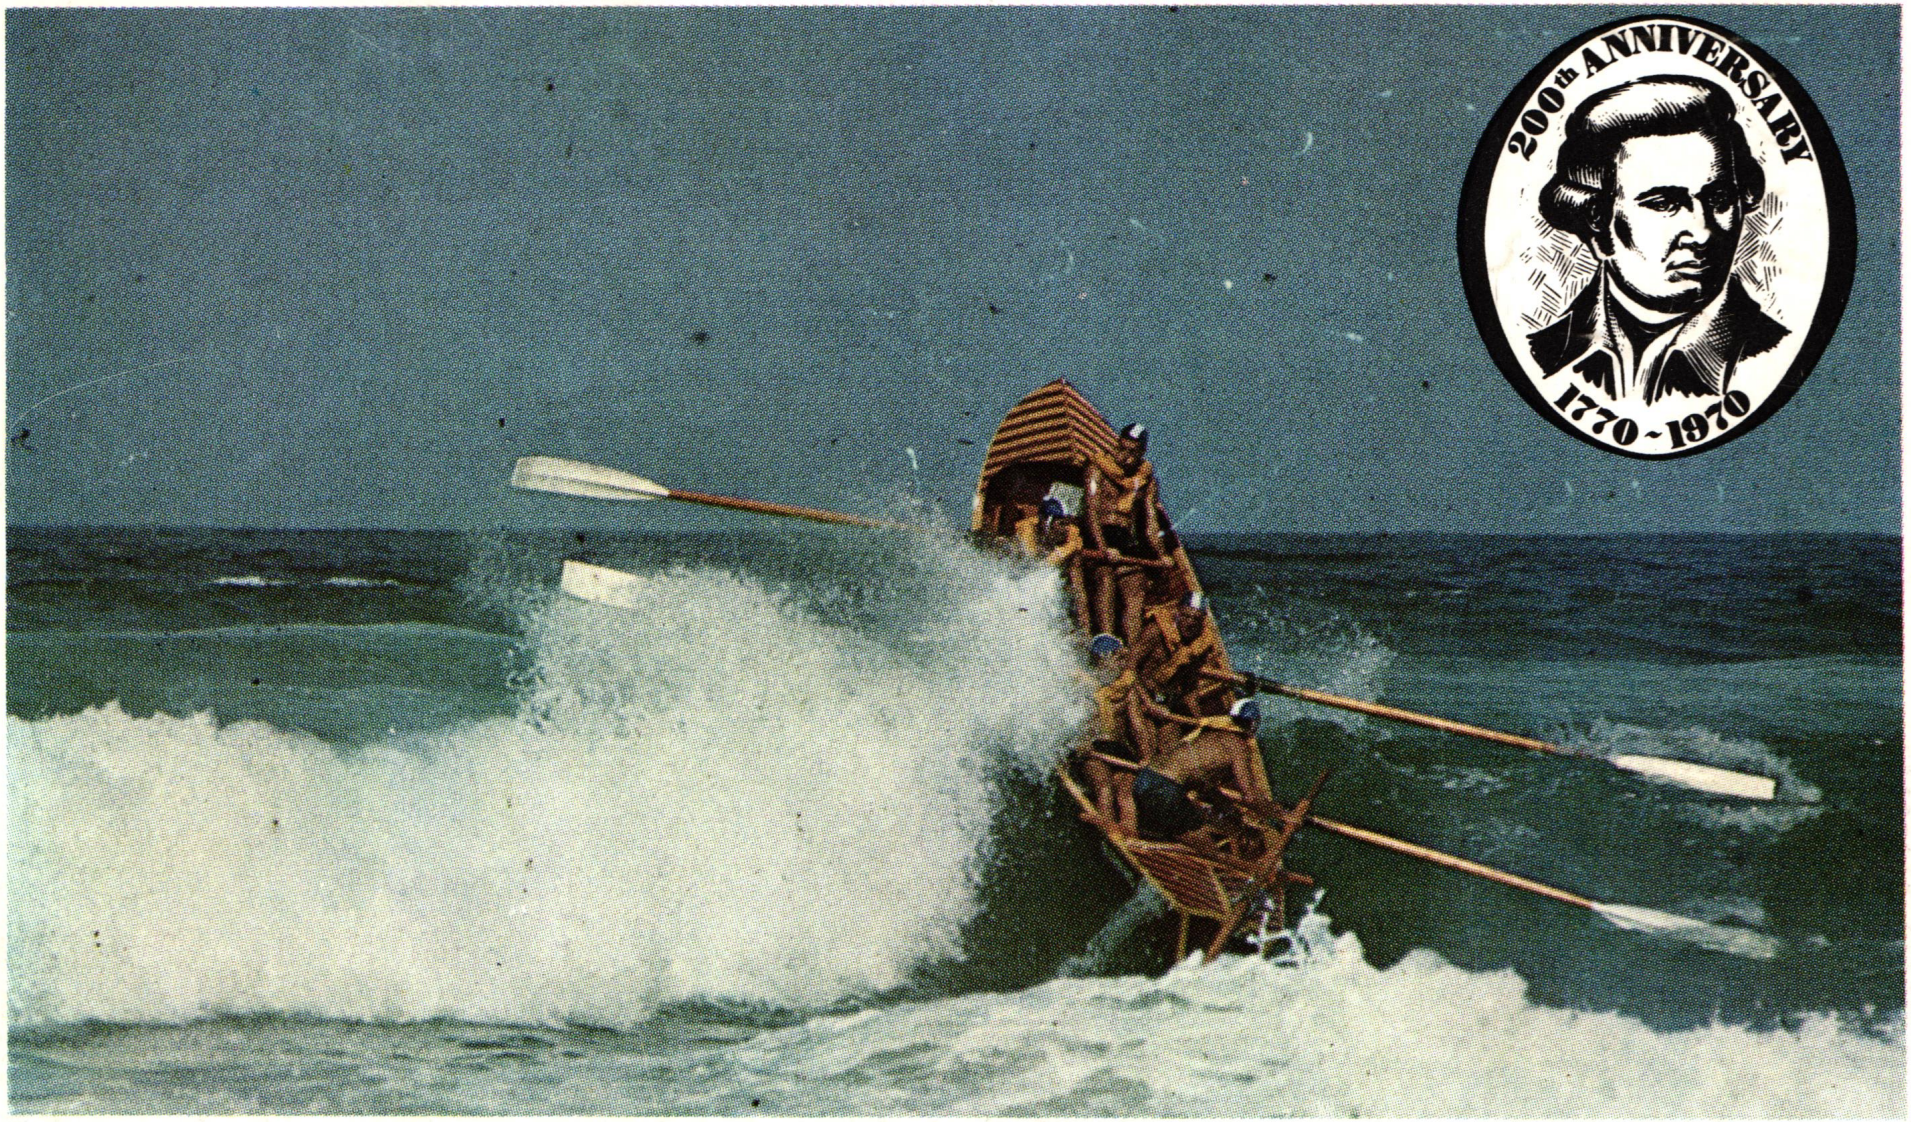
CAPTAIN COOK BI-CENTENARY CELEBRATIONS

200th anniversary of the discovery and exploration of the east coast of Australia

Australian surfboat rides the breakers



Australia's sporting prowess is well known; and surfboat races are a highlight of summertime Surf Carnivals throughout the country. Besides water-sports, visitors to Australia can enjoy every type of sport, from golf to football, big-game fishing to horse-racing.

GREETINGS FROM AUSTRALIA

World famous navigator Captain James Cook discovered eastern Australia in 1770. Two highlights of the bicentenary celebrations will be a London to Sydney air race in December 1969, and in March 1970 Sydney's international exhibition "Panorama of the Pacific". 1970 is also the 60th anniversary of the Wireless Institute of Australia, the world's oldest radio society.
